CHECKLIST FOR SELF-EXEMPTION FROM NPDES RELATED STORM WATER INSPECTION REQUIREMENTS
Please fill in the following boxes based on the activities that will be performed on site during the term of the building permit for which you are applying. There will be no: ☐ Soil Movement (i.e. earthwork, excavation, etc.). ☐ Uncovered materials (dirt, sand, fertilizer, etc.) that could be carried offsite by wind or rain. ☐ Exterior mixing of cementaceous products onsite (concrete, mortar, stucco, etc.). If all three boxes are checked, the applicant is exempt from NPDES related storm water inspection requirements.
